

## Archery Beginners Classes/Courses

We are sorry to announce that at this moment (writing Dec. 2015) there are no more beginners courses planned. Please watch this page for further information ***as we hope to have some news soon*** .

A Manchester (Lancashire) archery club that may have beginners places is Assheton Bowmen, please contact [Hamish Freeman](#) for their availability.

Or alternatively, contact [Lancashire Archery Coaching Group](#) .

Our six session archery beginners courses - a total of 12 hours coaching - take place all year round depending on availability. In order to receive a certificate of attendance/competency which is a prerequisite of joining Eccles Archery

Club you must be available on all days listed and all six lessons must be attended in sequence. All EAC beginners courses are conducted by Archery G.B Level 1 & 2 qualified coaches to the Archery G.B Beginners curriculum.

- Saturday 10.30-13.30
- Wednesday 18.30-20.30
- Saturday 10.30-13.30
- Wednesday 18.30-20.30
- Saturday 10.30-13.30
- Wednesday 18.30-20.30

- All equipment is provided
- Initial training takes place in the 'Indoor Range'
- Cost: £60.00 seniors, £40.00 juniors (whole course, not per session).
- Payment at first session, cheques payable to Eccles Archery Club or Cash
- Refreshments: Tea, coffee and water are provided by EAC. Trainees requiring soft drinks or light refreshments are welcome to bring these along.
- If participants choose to join Eccles Archery Club within six weeks of completing the course they will be eligible for a discount on their annual membership of £15 (£10 for juniors).

## Junior Archers & Eccles Archery Club

For safety, insurance and child protection reasons, as well as the [Archery UK Rules of](#)

### Shooting

, no

archery club will allow under 18s to shoot by themselves.

Unlike most clubs, at EAC we have 24/7 access and there are no set times for shooting. This has caused problems in the past - including frustration for the juniors - and we now insist that all juniors have a parent or designated guardian who is both a qualified archer and a full shooting member of EAC.

Therefore, if a junior wants to take the beginners course then a parent or guardian must also take the lessons. Similarly, if a junior wants to join the club, then a parent or guardian must also join the club as a full shooting member.

Presently EAC cannot accept juniors under the age of 10 years for training.

For further general information about the sport of archery please visit the Archery UK website:  
[www.archerygb.org](http://www.archerygb.org)

Contact [Terry Burnett](#) (Training coordinator) of EAC for further details about our courses.

For further info as regards beginners archery costs, general costs see [here](#) .
