

## Eccles Archery Club: EAC

Founded in 1953, our [club](#) is on the the western edge of Greater Manchester, very close to the M60/M62 junction 11.

We are affiliated to the [Lancashire Archery Association](#) (LAA), the [Northern Counties Archery Society](#) (NCAS) and [Archery GB](#) (previously know as The Grand National Archery Society, **GNAS**).

Our grounds are secure with 24-7 access for members. Recurve, compound, longbow and *novice archers* are welcome to join, where '*novice archers*' must have successfully completed a beginners course run by [EAC](#) or another Archery UK [affiliated club](#).

If you are interested in attending one of our beginners courses, [get the details here](#) .

- Our field is 200yds long and 120/140/180 yd clout shoots are held on Wednesday evenings throughout the summer (April - September).
- The clubhouse has two loos, one with disabled access.
- Our 12y indoor range is for practicing technique and holding beginners classes.
- There are regular club shoots, occasional barbecues and fun shoots.
- Assuming it is not pouring with rain, members can always be found on the line on Saturday and Sunday mornings.
- We host county matches and open shoots, with up to 19 bosses.□□□
- The archery club does NOT have a postal address, but the closest postcode is [M30 7DR](#) . We are up the narrow entrance directly opposite 216 Peel Green Road.
